Each year, around 1000 students from all over the world join us at the Royal Academy of Art (KABK), including around 450 students and pupils of the different Preparatory Courses.

By joining the KABK you will become part of a community of artists and designers who participate in various programmes. You will meet students, tutors and other professionals from a range of fields, all with different expertise, interests and very different cultural backgrounds. There will be a lot to discover for inquisitive minds and we look forward to the new ideas you will bring to our community.

Joining the KABK as a student also means taking on the role of a responsible citizen of our community. We are all responsible for the care and safety of the people, buildings and objects within the buildings. The house rules establish a basis of understanding and conduct that will allow everyone to experience the academy as a professional and nourishing environment. Students, teachers and staff are jointly responsible for the working environment.

It is up to all of us together to find a productive dialogue in order to navigate the challenges this brings. As students and as a group, you all have an active role in caring for your working environment. If you are unable to resolve a problem, please ask for help. Your department coordinators and teachers will always help you to find a solution.

Together with your department you will develop a workflow that allows you to work **safely**

- We always follow safety instructions.
- Escape routes are free of clutter.
- Smoking is not allowed in the building or on the premises (incl. courtyards, entrance, parking).
- Drugs are not allowed.
- Hazardous materials are stored safely.

Together with your department you will develop a workflow that allows you to work **responsibly**

- We minimise the use of environmentally impactful materials.
- We recycle our waste (by a specialised firm).
- We only use spray cans in the spray booth.
- Leftover paints, solvents e.g. are thrown in allocated containers.
- Biking and skating only outside the building and courtyards.
- Assistance dogs are the only animals allowed on the premises.

Together with your department you will develop a workflow that allows you to work with **respect** towards fellow students, teachers, staff and the building

- Theft is reported.
- Damage is charged to perpetrator.
- We follow the instructions of the staff.
- We leave the building before closing time.
- We take care of our building. This means we don't drill holes in the walls or use tape on tiles, dig up the outdoor areas or otherwise alter permanent features.
- We use designated areas for our posters. Because hanging and removing posters damages our restored monument.
- We use designated areas as bicycle parking.

In this booklet, we will guide you through the first steps at the KABK. The head, coordinator and teachers of the Preparatory Courses will help you with further information about the building and the physical and digital learning environment. They will show you where to find what, which rules you should respect and hopefully answer all of your practical questions – so you can join us in making your studies at the KABK successful.

We will publish the complete edition of Calendar Preparatory Courses 2026-2027. At the website and the portal, we will print this edition for all Preparatory students to use as a guide for the whole year.

This edition contains the full Calendar of the year 2026-2027 for all Preparatory Courses. All important dates are included and an overview per course is to be found in the back.

Zanne Zwart
Head of Preparatory Courses
z.zwart@kabk.nl

The Royal Academy of Art (KABK) is an academy with approximately 1000 students, divided over 7 bachelor departments, 7 master departments and various preparatory courses.

Each department has their own coordinator(s), who will be your main point of contact during your studies. Of course, student administration is there to help you with all practical matters, and so are the other staff members at the academy.

From September 2019 the KABK works with an internal **portal** that combines all internal communication channels that you need in order to organise your studies. *Note: This portal is accessible for employees, bachelor and master students and for students of the preparatory year.* The portal consist of 3 main functionalities:

- **Announcements** important messages from the KABK and your department
- **The KABK** handbook with everything you need to know about the KABK and your department
- **Dashboard with buttons** the main tools you need every day

How to access?

Just go to **portal.kabk.nl** in your mobile browser and log in with your student account. Don't forget to put the direct link to the home screen of your phone!

Do this by first clicking the share button in your browser followed up by the option 'Add to home screen'. You will have to log in every time you use the portal.

Help us improve!

As the portal is brand new, we hope you will share your experiences and suggestions for improvement with us. **portal@kabk.nl** (Thanks!)

ROOM BOOKING (ASIMUT)

The KABK uses a scheduling system called ASIMUT. This program offers you a personal schedule and the possibility to book rooms and make reservations for workshops. ASIMUT is an online application, so you can access it anywhere with your KABK account. To check your timetable, you need to log in to ASIMUT using your KABK account and password. You can also add your schedule to the calendar on your smartphone or tablet. If you need more information, please contact the Bookings office at the Student Administration (PD.013) or e-mail boekingen@kabk.nl Find more about Asimut, including tutorials, on the portal.

EMERGENCY

Small fire

- Call the service desk emergency number at **070 3154 700** or send someone to notify the service desk
- Report who you are and where you are
- The service desk will immediately notify the Emergency response team (BHV team)
- If you know how to use the manual fire extinguisher, try to put out the fire (only in case of small/beginning fire incidents)

Big fire

- Press the Fire alarm. This will trigger a direct signal to the fire brigade and will activate the sound alarm (slow-whoop)
- If you hear the sound alarm, leave the building immediately
- Use the stairs. Do not use the elevators under alarm conditions!
- Close doors and windows behind you (but do not lock them)
- Follow the instructions of the Emergency response team (BHV team), they wear yellow shirts
- Leave the building calmly

Accident

- Call the service desk emergency number at **070 3154 700** or send someone to notify the service desk
- Report who you are, where you are, the number of the victims and where they are located
- If possible provide information about the state of the victims and what has happened
- The service desk will notify immediately a first aid staff member, and if necessary **112**
- If you think that **112** should be notified immediately, take action yourself asap. Make sure to inform the service desk, so that they can follow up with a notification as well

Note: There are various first aid boxes throughout the building

Evacuation

- Follow the instructions of the Emergency response team (BHV team)
- Leave the building at the nearest exit and go to the assembly point (in front of the building)
- Stay at the assembly point and wait for further instructions

STUDENT COUNSELLOR

In addition to mentors and coaches, an independent student counsellor or one of the confidential counsellors can assist with concerns about study progress, issues of a more personal nature, discuss inappropriate behavior or file an official complaint.

All consultations are confidential and will not be discussed with others.

When to contact the student counsellor
For study, health and financial issues and personal problems, you can contact the student counsellor. When you don't know where to go or when you want advice on how to deal with your complaint or where to file it, you can also contact her.

In case you have a need for an appointment with the student counsellor, please contact via the portal or see the website for most updated information.

When to contact the confidential counsellor
If you experience inappropriate behavior from a student or staff member, and you wish to talk about it, you can contact the confidential counsellor. Inappropriate behavior is for instance racism, discrimination, sexual intimidation, bullying. The counselor provides a listening ear and advice on how to move forward.

It is also strongly advised you make an appointment with the confidential counsellor when you consider filing a complaint. The counsellor can explain the procedure and implications, and can guide you in the process.

Contact Femke de Haan (f.dehaan@kabk.nl) if you would like to make an appointment.

The confidential counsellors of the University of the Arts are:
Maaïke Evers, external confidential counsellor
evers@devertrouwenspersoon.nl

Eric de Ruijter, external confidential counsellor
deruijter@devertrouwenspersoon.nl

Femke de Haan, internal confidential counsellor KABK
f.dehaan@kabk.nl

Tony Overwater, internal confidential counsellor KC
t.overwater@koncon.nl

For the School for Young Talent there are separate confidential counsellors, however their pupils as well as their parents/guardians are free to contact any of the other counsellors as well.

Anne-Margriet Klaver
Student counsellor

How to connect to Eduroam wi-fi network

Eduroam is a wireless network that enables students and staff to connect to the internet with your laptop, smart phone or other mobile device. You can now access the internet with your KABK account at all other educational institutions connected to eduroam. This includes more than 40 universities of applied sciences in the Netherlands, and many more worldwide. Users from other institutions connected to eduroam are also able to access the internet at KABK location.

Log in

In order to gain access, you connect to the secure eduroam WI-FI network and enter your username and password once only.

Login name:	studentnr + @kabk.nl
Example:	123456@kabk.nl
Password:	your KABK password

You can subsequently use the network at all locations of institutions connected to eduroam and, therefore, also within the KABK. Eduroam is available for KABK staff and all KABK students.
